## Information Services Package

**Charter Currents:** The state's most comprehensive, in-depth source of breaking charter school news on legal and regulatory changes, accountability, student assessment, charter school finance, facilities development, special education and other key charter issues.

**Email News Alerts:** Receive breaking charter school news and detailed analysis on hot topics such as the latest budget numbers, proposed legislation, court decisions impacting charter schools, and other news requiring the immediate attention of school developers, principals, board members, and charter granting agencies.

**Individualized Technical Assistance:** You are only a phone call or email away from getting your specific questions answered by the state's leading charter school experts. Our staff has in-depth expertise across a broad range of areas necessary to develop, operate, and oversee your charter school. Subscribers receive five free hours of technical assistance per year and exclusive access to our charter experts.

**CSDC Workshop and Publication Discounts:** Attend our comprehensive full and multi-day workshops and purchase our in-depth "how to" guides, "tool kits" of sample documents, and other critical publications at our special discounted subscriber rates.

**Job and Resume Posting Services:** Post your charter school job openings and peruse resumes on our website to expand your pool of qualified job applicants.

---
